Dear Ms. Lorscheider:

Enclosed is the invoice and check for the review of our landfill cell I modification. As you know, payment was delayed due to my inquiries as to the appropriateness of the fee to the application type. It is my understanding that the payment delay will neither jeopardize the application's completeness determination nor delay its review. If I misunderstand this or you have any questions, please don't hesitate to call me at (910) 362-2504.

Yours truly,

Edward J. Kreul
